# KitVault® Lockable DVR/NVR Enclosures

## Extra Small

VAULT100

Lockable

VAULT100

The Extra Small VAULT100 is designed for smaller 4ch or 8ch DVR and NVR units and to keep it extra secure and compact, it is designed without a viewing panel or fan slots. It has cable entry points from the rear and sides.

Code	Description
VAULT100	Extra Small KitVault

External Dimensions  
(H)95mm x (W)389mm x (D)328mm

Internal Dimensions  
(H)90mm x (W)329mm x (D)230mm

making this model perfect for:  
*Alien MegaHero 4ch / 8ch*  
MEGA204 / MEGA208  
ZIP NVR  
ZIP104

## Small

VAULT200

Tough Viewing Window!

VAULT200

The Small KitVault model VAULT200 features a clear viewing panel and suits 4 or 8 channel models but has slightly more room all round than the Extra Small model so it can accommodate up to 3 extra cooling fans. It has cable entry from the sides to make it ideal shelf mounting.

Code	Description
VAULT200	Small KitVault

External Dimensions  
(H)150mm x (W)430mm x (D)368mm

Internal Dimensions  
(H)145mm x (W)350mm x (D)268mm

making this model perfect for:  
*Alien MegaHero 4ch / 8ch*  
MEGA204 / MEGA208  
ZIP NVR  
ZIP104

## Medium

VAULT300

Choice of 3 Fan Vents!

VAULT300

The Medium version VAULT300 suits larger 8 or standard 16 channel DVR/NVR models and again has a tough polycarbonate viewing panel and 3 fan slots.

Code	Description
VAULT300	Medium KitVault

External Dimensions  
(H)150mm x (W)490mm x (D)471mm

Internal Dimensions  
(H)145mm x (W)410mm x (D)371mm

making this model perfect for:  
*Alien MegaHero 16ch*  
MEGA216  
ZIP NVR PoE  
ZIP204, ZIP208, ZIP216  
ZIP NVR Non-PoE  
ZIP108, ZIP116

## Large

VAULT400

Removable Lid for easy access

VAULT400

The Large version VAULT400 can accommodate the largest of DVR or NVR models that are fitted with multiple hard drives such as the 2U rack sizes. It again has a tough polycarbonate viewing panel and 3 fan slots.

Code	Description
VAULT400	Large KitVault

External Dimensions  
(H)150mm x (W)564mm x (D)597mm

Internal Dimensions  
(H)145mm x (W)484mm x (D)497mm

making this model perfect for:  
*Alien MegaHero 16ch*  
MEGA216  
*Alien Max*  
MAX316, MAX416  
ZIP NVR PoE  
ZIP216, ZIP226

## Keep your DVR cool making it run better for longer!

FAN012

- ✓ Quick to fit 12V DC Fan Kit
- ✓ Circulate cool air around your DVR/NVR
- ✓ Use with the KitVault Enclosure Range Above
- ✓ Use with the other Rack Mount Cabinets

Perfect for KitVaults or other Rack Mount enclosures!

These 12V DC fan kits allow cool air to be circulated around the electronic equipment stored inside the KitVault enclosure, so by cooling the equipment such as a DVR it runs better for longer. The KitVault has fan vents situated on both sides and the rear to allow the quick fitting of one or more of the fans. Each fan has a 190mA current consumption and would require a 300mA 12V DC power supply for continuous operation.
